

## **3D Modeling Workshop Leader/Content Developer**

TUMO Center for Creative Technologies is looking for a 3D Modeling specialist to join the Educational Content Development team to lead 3D Modeling workshops, create content and design educational material for TUMO's students across all our centers, working year-round to develop and fine-tune the educational curriculum at TUMO.

### **Duties and Responsibilities**

- Design and lead 3D Modeling workshops for TUMO's students
- Work in Yerevan but travel to other Tumo locations several times a year for month-long workshops
- Develop students' skills through designing educational material for student self-learning
- Collect and evaluate students' results at the completion of every workshop and store them for their portfolios
- Examine students' self-learning results and provide daily feedback to them
- Other duties may be assigned

### **Education and Experience**

- Minimum 2 years of work experience in the specified field
- Experience in education and ability to work with teenagers is a plus
- Excellent communication skills and public speaking ability
- Software knowledge: Maya, 3D Coat, ZBrush (or similar industry software)
- Language: Armenian (required), English (preferred)
- Strong research skills
- Ability to work independently and part of a team
- Ability to maintain deadlines and ensure high productivity

### **Application Procedure:**

Interested candidates should submit a resume and portfolio by email to: [jobs@tumo.org](mailto:jobs@tumo.org) by the deadline. In the subject line of your email, please mention "3D Modeling Workshop Leader/Content Developer." Only short-listed candidates will be notified.
